Via YaleSA

Futures Academy is an independent online high school offering flexible learning solutions for grades 7-12.

Our solutions offer students the time and flexibility to also pursue their other interests beyond the classroom while completing their National Senior Certificate.

The Academy is registered with the Department of Basic Education (WCED).

Our values and background

Values-based leadership

Knowledge, Action and Community

Responsibility

FA is a subsidiary of YaleSA

YaleSA aims to create enabling spaces for young leaders to develop their academic, cultural, service, leadership and entrepreneurial abilities.

To grow their skills, knowledge, values and character in order to actively address the challenges that face our world.

Our educational philosophy

Online Learning

Schooling is conducted online, so you have the freedom to login to our learning platform from anywhere; all you need is a stable internet connection and a tablet or laptop.

Exams

All exams are written online via remote proctoring. Grade 12 final exams are written at your nearest exam center. The location is determined upon exam registration with the exam body.

South Africa's truly online high school

Flipped Classroom

We have a flipped classroom model, which means that you receive coursework, which may be in a variety of media such as notes, videos or animations, prior to the live classes. This enables you to review the topic beforehand and address queries during the live class with your peers and educator.

Live Online Classes

Live classes are timetabled in 1 hour segments from Tuesdays to Thursdays. The remaining days are reserved for guest seminars, enrichment, self-study and assessments.
